ABOUT US

ELEGANCE was formed almost two decades ago to offer wide range of services which includes designing and decoration of the residential and commercial premises. Sensitive to the needs of today's enterprises to manage and execute projects on a holistic basis, **ELEGANCE** expanded its scope of activities to include turnkey projects along with complete designing or residential interior designs, commercial interior designs, floor planning, house renovation and modification and other architectural contracts.

We take pride in stating with immense confidence, that we possess all modern, hi-tech and advanced methodologies and infrastructure in order to cater to our works of creating marvellous and judicious interiors.

We strongly believe that one happy customer leads to another. We have strived to build lasting relationships by keenly watching quality, cost-effectiveness and punctuality in delivery of all works we do.

TOTAL **INTERIOR** SOLUTIONS

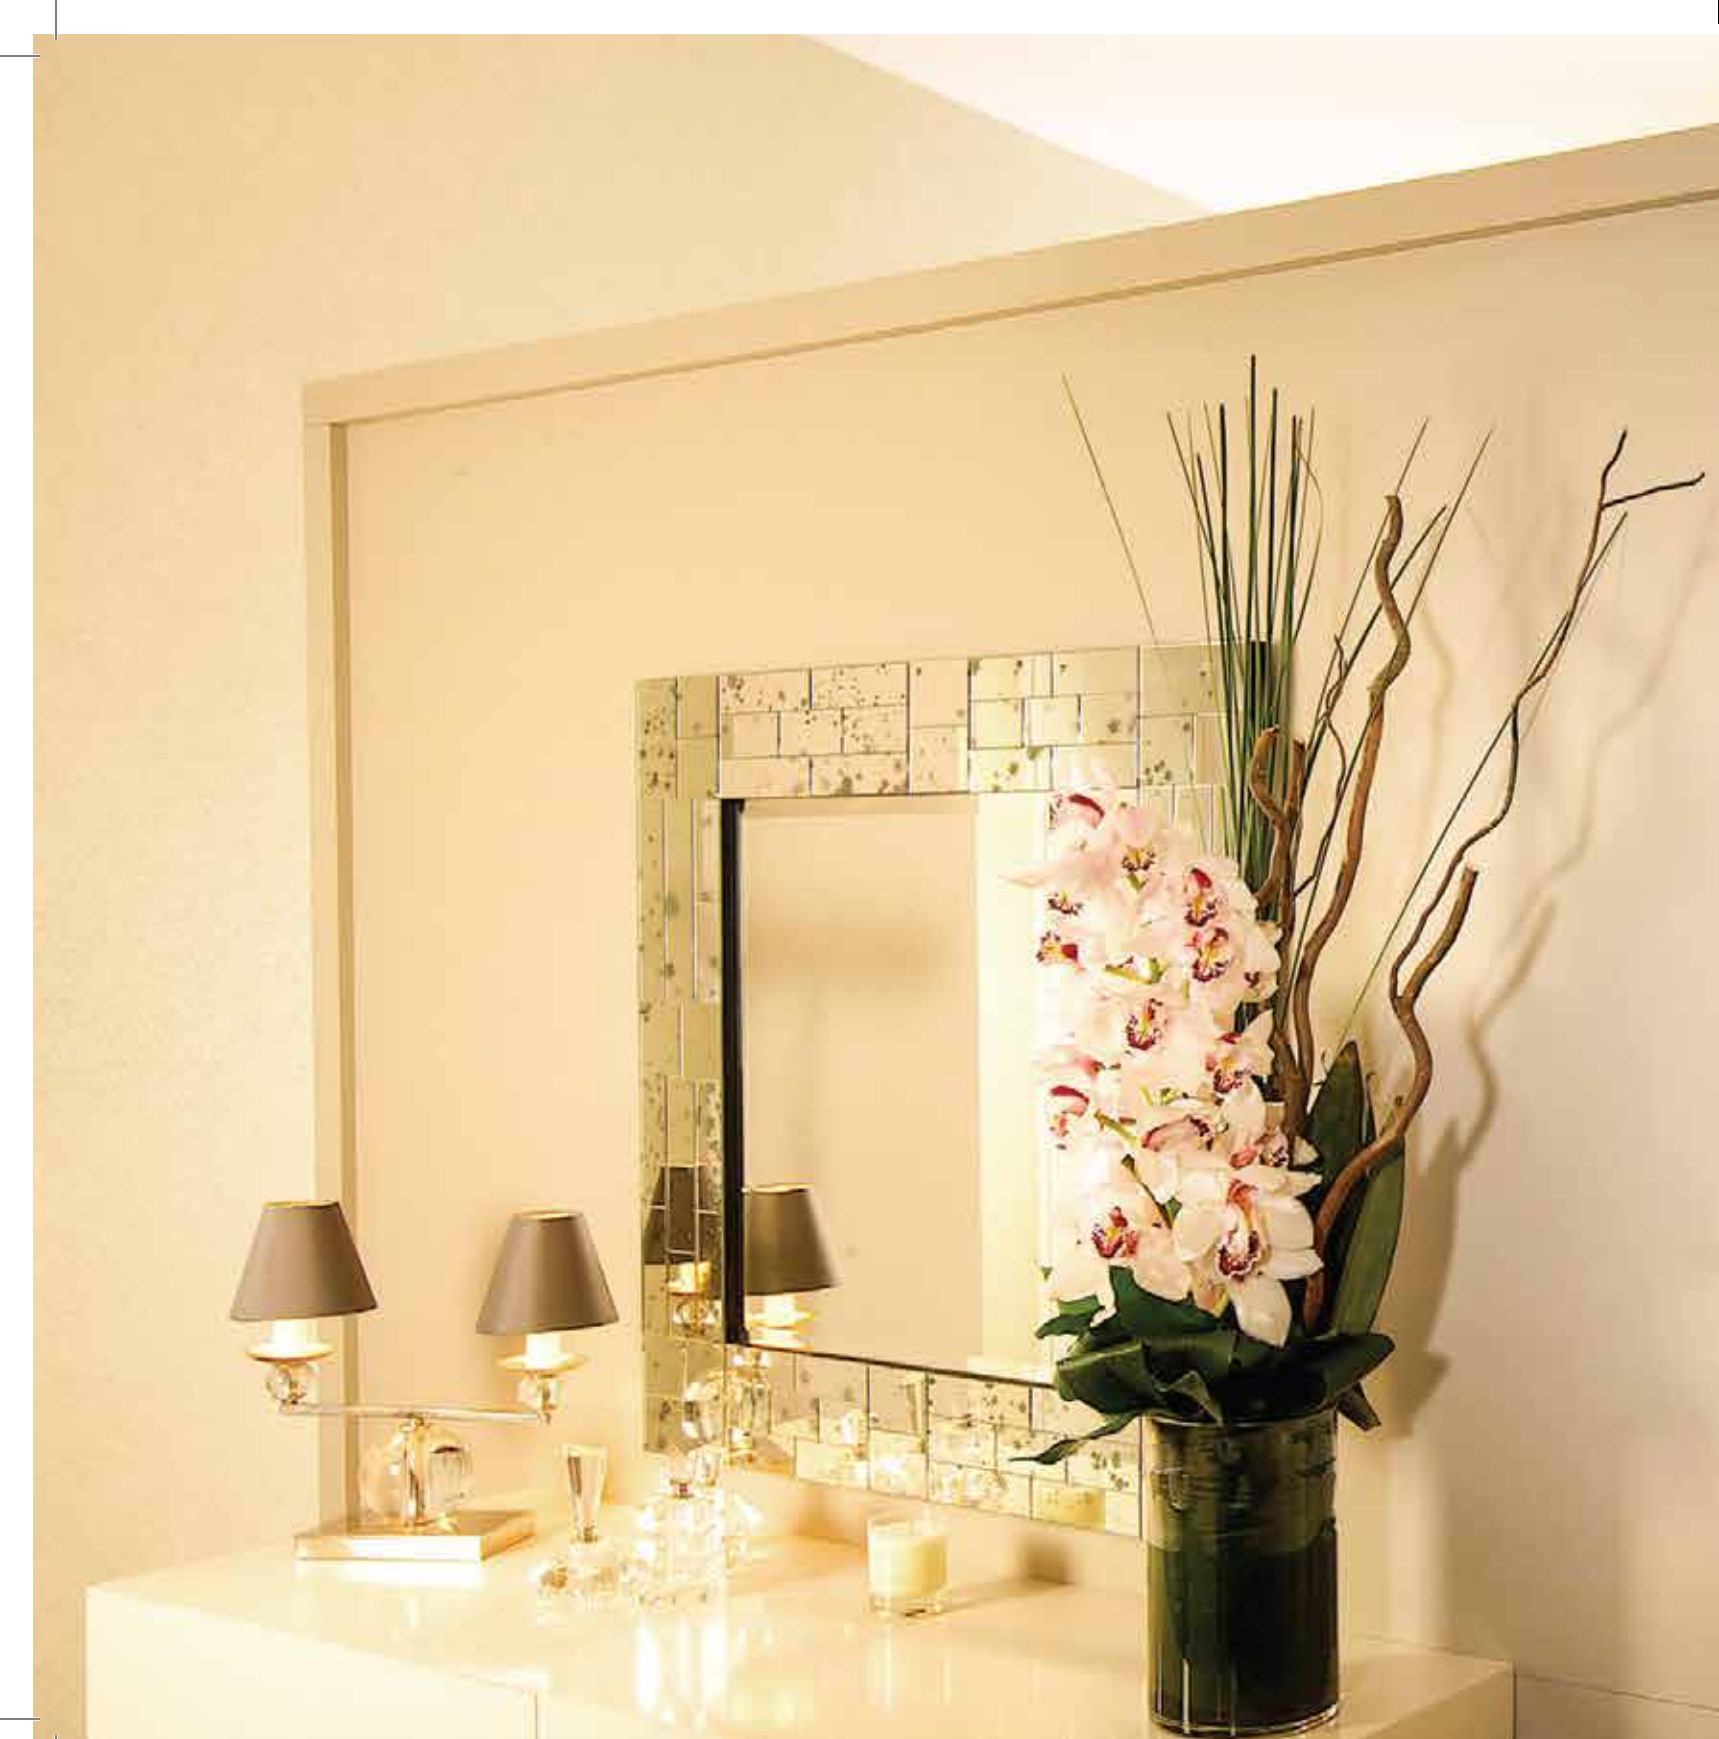

OUR VISION

To create interiors that reflect client's personality and lifestyle, by capturing their design dreams and making them a reality by listening to every client in a professional manner and carrying out the design process, until the desired product is achieved.

OUR MISSION

Evaluate our standards to new levels by adapting to the newest trends and technology to serve our clients by providing designing service for properties that is both personal and cost-effective. Also, deliver the projects on time and budget with an unsurpassed attention to detail.
